¹The tuition estimates listed above are based on the minimum number of credits required by the Department of Homeland Security to maintain full-time student status. Tuition charges are set July 15 immediately preceding each academic year and can be seen at <http://www.bursar.psu.edu>. For the academic year following the one cited above, add approximately six percent {5% }.

²Graduate Assistant's portion of the Mandatory Medical Insurance is estimated at \$400.

³**If you are admitted to a program of study beginning in summer, regulations require that you enroll full-time in the summer.** Full-time summer expenses are figured by adding \$1,300 (books and supplies), \$300 (fees), and the amount of your tuition which is: (i) for graduates 5 times the summer per credit cost; and (ii) for undergraduates 12 times the summer per credit cost. This cost can be found at the bursar website at

<http://www.tuition.psu.edu/TuitionAndFees.asp>.

⁴If you will be **accompanied by dependents** {spouse and/or child(ren)}, you will be fully responsible for their support and additional funds are required. University assistantship stipends are not sufficient to cover dependents' expenses and are not intended to do so. **The high cost of child care is not included in the child expenses figures**. If you bring your family, please be prepared to incur these expenses.

⁵Graduate Assistants child dependent expenses are \$4,100 (\$1,100) for the first child and \$3,000 for each additional child.
